

No. ECF02 038/2561

1 October 2018

Subject : Notification for the extension of the Memorandum of Understanding to study the feasibility for the investment in Solar Power Plant Project (2nd)

To President
The Stock Exchange of Thailand

East Coast Furnitech Public Company Limited (“**ECF**” or “**The Company**”) would like to notify that, as the Company and CR Solar Co., Ltd. (“**CRS**”) entered into the Memorandum of Understanding on 22 December 2017 (“**Memorandum of Understanding**”) to study the feasibility for the investment of 1MW Solar Power Plant Project of CRS located at Thern District, Lampang Province and entered into the 1st amendment memorandum of Memorandum of Understanding on 30 March 2018 to extend the period for due diligence to be within 31 August 2018 and extend the period for entering into the purchase agreement to be within 30 September 2018.

The Company has conducted the due diligence but still not received some crucial documents from CRS and CRS is on the process of acquiring such documents from the government agency which may take several months to acquire them. Therefore, the Company and CRS agreed to extend the period for due diligence to be within 28 February 2019 and extend the period for entering into the business purchase agreement to be within 31 March 2019.

Please be informed accordingly,

Yours sincerely,

East Coast Furnitech Public Company Limited
