The Board of Director excluding the directors who have conflicts of interest in this agenda with the approval from Nomination Committee has well scrutinized that the directors who retire by rotation have all the qualifications according to the Public Limited Companies Act 1992

(2535), Securities and Exchange Act B.E. 1992 (2535), the announcement of the Securities and Exchange Commission. Capital Market Supervisory Board and relevant notifications of the Stock Exchange of Thailand including being knowledgeable, competent, devoted, and experienced persons with expertise in business administration, and skillful and experienced in the furniture business. These result in benefits to the Company's business operation. Besides after considering the number of companies that each of the nominated directors has the position finds that they do not have the positions in other listed companies more than 5 companies and the part of proposing to be appointed as independent directors, they are able to independently give opinions and can comply with related rules and regulation.

In addition, General Terdsak Marom will serve as an independent director for over 9 years if re-elected this time. (Holding the position of Independent Director of the Company since 26 October 2012) but the Board of Directors considers that he has performed his duties in accordance with the duties and responsibilities of Directors and Executives of the Securities and Exchange Act B.E.2535 and possessed the qualifications of independent directors since taking the position as the Company's Director, has never had a conflict of interest and makes decisions on various agendas for the best interest of the Company and shareholders.
